Elegance is Princess Kiss' second name and her true nature. Let our professional skipper take you on a sailing vacation you'll never forget.

The 4 double guest cabins with en-suite bathrooms are extremely comfortable and there is also a smaller guest cabin suitable for 2 kids or one adult. The two crew cabins in the bow ensure your privacy.

Bright cabins are perfect for taking a break from all the water adventures and recharging for new ones in comfortable beds.

The saloon is spacious ideal for enjoying a nice meal.
There is enough space for eight people around the table.

Cockpit and deck are made of teak and sunshades on the fly and in the cockpit make life on board such a pleasure, as does the professional sound system that is segmental. Radar and stern cameras increase sailing safety.
