LAGOON 51

DESCRIPTION

The new launch of Lagoon shipyard, the Lagoon 51, is a re-interpretation of the already well-known Lagoon 50, enhancing its features at their best. The flybridge is now a perfect lounge area for an aperitivo onboard, and the forward cockpit gets even wider to enjoy the most from the outdoor spaces. Our Lagoon 51 "Fichetto" is an owner's version, meaning that the primary guests will be welcomed in a full-length master cabin at starboard, completed by a walk-in closet and a comfortable powder room. The other guests will be accommodated in 2 more double cabins with private bathroom, and an additional mid-port cabin which is perfect for one adult or two children, with a shared bathroom, making this catamaran a perfect choice for a family.
