The Cyclades islands lie to the south east of Athens and the Greek mainland in the Aegean sea. The ultimate archipelago, they are the quintessential Greek islands of picture postcards with white houses on sun drenched hillsides.

The beauty of the Cyclades is that there are so many islands in this sailing area to choose to visit on your charter. All of the islands offer beautiful sandy beaches, sparkling waters, unique architecture and picturesque landscapes and the Cyclades provides the ultimate island-hopping sailing adventure.
